

CSC Votes

My name is **D Sundström**. I am the proud Mom of Gus, an 8th grader and founding class member at MMMS. I have participated on the CSC for the past two years and really enjoy serving in this capacity. My career is in Pediatric Medicine so I bring a lifetime of adolescent work to discussions as well as insights from my son (who is a quiet, thoughtful type). Since my daughter is in High School, I also try and offer suggestions with a nod to the future. Thank you for your consideration.

My Name is **Marisol Vasquez** am a single mom of two great kids. My son is my oldest; he is 11 years old and in 6 grade. This is his first year at McAuliffe Manual and so far so good. My daughter is my youngest, her name is Michelle, and she is in 3rd grade at International Academy of Denver at Harrington. So far also good. The reason I want to be in the CSC Committee is that I was born and raised in this community. I also came here when I was young, but when the school closed I didn't know why. So that is when I got interested in being involved in my kids school. I don't want my kids to go thru that. I have been involved at my daughter's CSC committee since they started there in 2012.

My name is **David Cripe** and I would be interested in participating in CSC. As background, my daughters in 8th and 6th grade both attend MMMS and are loving it. I am an attorney and previously served on the Board of Directors of KIPP Sunshine Peak Academy, so I have some general background with educational issues and school operations.

Hello, my name is **Cathy Boies**. I have an eighth grade daughter at MMMS and three younger children in elementary and preschool. I participated on McAuliffe Manual's CSC last year and would like to continue to serve this year as a voting member. In addition to being in MMMS's "pioneer class", my daughter was also a founding student at an innovation school in her elementary years. I was involved in launching that school and know first hand what it takes to start a school. I am familiar with the innovation designation and its implications for school policy and accountability. I am also a former middle school social studies teacher with a Master's Degree in Education. It would be an honor and a challenge to lend my expertise to support McAuliffe Manual. I wholeheartedly believe in MMMS's mission for high achievement and equity of opportunity for all students and would like to continue to serve as a resource to Principal Long and the staff as they work to bring that mission into reality.

I'm **Shari Leidner**- my daughter is in 6th grade. At my daughter's elementary school, we depended on parent volunteers in every capacity. I know how important it is and would like to contribute where I can. I've done everything from co-chairing the fundraiser to running the garden program- working directly with the kids.

Hello, my name is **Rich Pulling**. I'm the father of a 6th grader, Quinn, and an 8th grader, Morgan. As a transracial adoptive parent, I'm passionate about equitable education—providing the highest possible education to all of Denver's students, not just those finding educational success easy. I'm as willing to listen to complaints as compliments and bring both to the CSC. Thanks!

Hello, My name is **Francisco Pineda-Amaya**. I moved to Denver CO in 1992, have two DPS students. My daughter in 5th grade and my son in 7th grade, who attends McAuliffe Manual. I have always been involved in my children education and serving in the CSC has always been my passion. I served on the CSC last school year and would love to continue being a member of the CSC to work with our principal and all our CSC member for the best of our school. I'll appreciate your vote for the 2018/2018.
